

# Emory Employees Have the Heart to **DO MORE** with Payroll Deduction

## Give with Heart

### HOW?

Signing up for **Employee Payroll Deduction** only takes a few minutes of your time.

- 1 **Log in** to [PeopleSoft](#)
- 2 **Navigate** to the Employee Giving tile
- 3 **Choose** your fund(s) and gift amount(s)
- 4 **Then hit save!**

### WHERE?

Where you give depends on what matters most to **YOU**. Many funds—like the **Emory University Employee Hardship Fund**—rely on these recurring gifts. You can choose one or multiple areas to support monthly. You can change your designations at any time.

### WHY?

Payroll deduction makes giving easy. Just set it up and know you are making an impact every month!

Whether you're new to philanthropy or have been giving for years, this is a convenient way to support an area you care about.

“Donating through payroll deduction makes giving back so simple. I can support the Emory mission in more ways than one—through my everyday work and by regularly giving to a cause that matters to me. Payroll deduction allows me to support the Emory College Fund for Excellence on a monthly basis.”

Meghan Page 08C, Director, Emory Alumni and Constituent Giving
